

Valentin Goncalves  
AKA Neyiox

# ART DIRECTOR GRAPHIC DESIGNER

Neyiox goes beyond a simple identifier, it symbolizes a deep-rooted journey of creativity and a continuous quest for innovation.

Rooted in a decade of self-driven discovery and enhanced by a Master's in Art Direction, Neyiox has become known over four years of dedicated freelancing for blending thoughtful strategy with creative exploration, bringing each project to life as a distinct piece of digital art.

It represents a sincere dedication to the fields of graphic design and art direction, showcasing a balance of ambition with a considerate and deliberate approach to the craft.

**SEPEHR MOGHARAB** ★★★★★ [Google Review](#)

I worked with Valentin for creating my fashion brand's website and identity and I can't express how happy I am with what he has done for me. You just have to trust him and he does the job from 0 to 100 in a perfect way! Very serious, hard working and detail oriented.

I have had the privilege of collaborating with Valentin on several projects over the years and each experience has been exceptional. He has this unique ability to understand not only the overall vision of the project, but also the most subtle details...
